**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

FCC why can I choose a competitive provider that's work for me. People want choices and don't want to keep on giving price hikes broadband is critical to my and home, business. If you have fiber today but were previously connected with competitive DSL. Also, don't cut off broadband competition
